IN THE MATTER OF THE LICENSE OF :
: Administrative Action
LEI LEI AUNG, M.D. CONSENT ORDER
LICENSE NO. MA 06121700
TO PRACTICE MEDICINE AND SURGERY :
IN THE STATE OF NEW JERSEY :
:

This matter was opened to the New Jersey State Board of Medical Examiners (hereinafter the "Board") upon receipt of information which revealed that **Lei Lei** Aung, M.D., {hereinafter the "respondent"} engaged in questionable prescribing practices of Controlled Dangerous Substances to patients G.M., R.S., M.S., L.W., M.J., M.M., and A.P.

The respondent, **represented** by **Michael** Keating, Esq., appeared and testified before the Preliminary Evaluation Committee of the **Board** on January 24, 2001. During her appearance, the respondent **discussed** her treatment of the above **patients** for whom she **prescribed** Controlled Dangerous Substances in an effort to manage

their chronic pain ailments. A detailed review of **the** respondent's **patient** records and **her** responses under oath raised serious concerns about **respondent's** management and **treatment** of the above chronic pain **patients**. The Board finds that the respondent's **medical** treatment of **the above** patients was inadequate. As a result, the Board has now determined that the respondent should undergo a general medical **evaluation** and then **complete** an individualized focused medical **education** program through the Medical Review & Accrediting Council, Inc. {"MRAC"}.

Respondent **being desirous** of **resolving** this **matter** without further formal proceedings and the Board finding the within Order **adequately protective** of the **public** health, safety and welfare, and for good cause having **been shown**:

IT IS on this 4th day of March, 2004

ORDERED AND AGREED:

1. **Respondent, Lei Lei Aung, M.D.** is hereby reprimanded for indiscriminate prescribing of Controlled Dangerous Substances to the **above** patients.

2. Respondent shall, within the next three months following entry of this Order, **undergo** an evaluation through MRAC to identify any deficiencies in her **general** medical practice, **including, but** not limited to prescribing practices of Controlled Dangerous **Substances**.

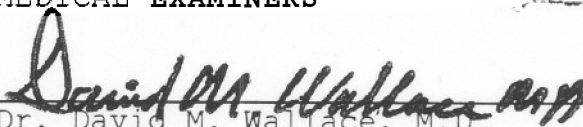

3. Respondent shall comply with any individualized medical education programs recommended by MRAC, Inc. to address any deficiencies and shall provide the Board with documentation demonstrating successful completion thereof.

4. Respondent shall pay investigative costs in the amount of \$1,098.58, simultaneously with submission of this Order.

5. Said payments for-costs shall be made by certified check or money order and made payable to the Board of Medical Examiners and shall be submitted to William Roeder, Executive Director of the Board of Medical Examiners, P.O. Box 183, Trenton, New Jersey 08625-0183.
